Motivation

Always bear in mind that your own resolution to succeed is more important than any other one thing.

~Abraham Lincoln

Enthusiasm is one of the most powerful engines of success. When you do a thing, do it with your might. Put your whole soul into it. Stamp it with your own personality. Be active, be energetic, be enthusiastic and faithful, and you will accomplish your objective. Nothing great was ever achieved without enthusiasm!

~Ralph Waldo Emerson

There's only one way to succeed in anything and that is to give everything.

~Vince Lombardi

Many of life's failures are people who did not realize how close they were to success when they gave up.

~Thomas Edison
